PARTS ORDER FORM - Check List - Please read for explanation of parts ordering process. If you have questions, you may email or phone us for clarification. If you email us, please type "Order Question" in Subject box.

1. Make, serial number and model number are required for accuracy of order.
2. Returns are not allowed unless the mistake is ours.
3. Payment must be made prior to shipment unless you have an account with us.
4. Direct shipment is allowed with a Mercury Marine parts purchase that exceeds \$75.00 retail. Extra shipping may be added if the parts are being shipped from different warehouses.
5. If you want a direct shipment, any parts ordered that have a minimum quantity of greater than one will be included in your shipment and you will be charged for them. If you wish to receive only one of any part that has a minimum of greater than one, please request a shipment from our store.
6. Upon request, we can fax you a picture of the specific area of the unit you want to order parts for, along with a parts list for that picture, if available.
7. Please be sure to check shipment preference. UPS and FED EX will not ship to a P O Box number.
8. Please be sure to check insurance preference.
9. Please allow 7 to 14 days for shipment unless you are requesting an emergency shipment. Emergency shipments will be require additional fees. Call or email us for prices.
10. If you only want pricing on the parts before you order them, please specify ESTMATE ONLY on bottom of the form. Make, model and serial number are still required for accuracy.
11. We sell parts for these American Engines only: Mercury, Mariner, Force, Evinrude, Johnson, Mercruiser, OMC and OMC Cobra.
